

Help Midlothian Recycle! The Keep Midlothian Beautiful committee operates The Teacher's Treasure Warehouse Project, a cooperative effort designed to help recycle office products, furniture and supplies. "This is an opportunity to help recycle items that would normally stay in a warehouse or be thrown away," said Amanda Miller, President & CEO of the Midlothian Chamber of Commerce. "Many companies, redecorate, refurnish, and upgrade their offices, and this gives them an avenue to dispose of their items."

Donations for the Warehouse include:

- Pens, pencils, paper
- Bookshelves
- File cabinets
- Small desks
- Folders
- Binders
- Chairs
- Tables
- Dry erase boards
- General office products
- Creative items-glitter, yarn, poster board, googly eyes, paper plates

Teachers with the public school district are invited to visit the warehouse on two scheduled days during the school year to "shop" for supplies they can use in their classroom (Dates are TBA). Teachers are not charged for this service.

A Keepsake Self Storage, located on Walnut Grove Road in Midlothian, provides facility support for this event.

Bring your items to the Midlothian Chamber of Commerce Monday - Friday from 8am - 5pm. If you would like to make arrangements to drop off your donation directly to the warehouse, please call the Midlothian Chamber at (972) 723-8600, and a committee member will meet you at Keepsake Storage.
